

# Exilia, Cruel

Am I too weak when I see your weapon?  
Am I too sweet for your plasticliving?  
Am I too deep if I dream another life?  
Am I too weird, not like anybody else?

Twisting like a chain  
Twisting like a chain  
Twisting like a chain  
Twisting like a chain  
Twisting

Am I too weak for this world?  
Am I too sweet for your war?  
If those sad eyes are not enough for you  
Am I too weak for this world?  
Am I too sweet for your guns?  
Am I too weak?  
It's too cruel

Am I too weak when you lie to everyone?  
Am I too sweet when the hunter kills someone?  
Am I too deep if I see the angels fall?  
Am I too weird if I'm not your lovely girl?

Twisting like a chain  
Twisting like a chain  
Twisting  
Twisting like a chain  
Twisting like a chain  
Twisting

Am I too weak for this world?  
Am I too sweet for your war?  
If those sad eyes are not enough for you  
Am I too weak for this world?  
Am I too sweet for your guns?  
Am I too weak?  
It's too cruel
