Exit 159, Okay

used to think that I'd be something used to think that I'd be someone now that I care, now that I care looking thru the window as my face goes numb it's a wonder I stay alive it's a wonder I open my eyes in the morning when I see you looking thru the window cause my face is numb oh, it's finally okay it's finally okay even now I know I'll be okay even now I know it's too much, too much even now is better than yesterday even now I know I'll be okay with you okay
