

# Exodus, Blacklist

[Lyrics & music (G. Holt)]

It is no mystery  
What you get is what you see  
You betrayed my loyalty  
You gone and done me wrong  
Now I do you harm  
My revenge is guaranteed  
You stabbed me in the back  
Spit right in my eye  
Dragging me into the fray  
Take you out, write you off, there's never enough  
Ways to throw you away

[Chorus:]

You'd better start runnin'  
Cause you know that I'm comin'  
Cocked and loaded and I never miss  
I'm onto your game  
And I'm layin' the blame  
And I'm addin' your name to my blacklist  
You shoulda thought twice  
Cause you're playin' with your life  
You must have some sort of deathwish  
I haven't any doubt  
That your time's running out  
Cause I've added your name  
To my blacklist

You tried to beat me  
Thought you could defeat me  
But ha, were you ever wrong!  
I rise to the occasion  
Character assassination  
To put you down where you belong  
You've got a lot to say  
When I'm so far away  
Now you've got a problem with me  
Take you out, write you off, when I've had enough  
Of your verbal debris

[Chorus:]

You'd better start runnin'  
Cause you know that I'm comin'  
Cocked and loaded and I never miss  
I'm onto your game  
And I'm layin' the blame  
And I'm addin' your name to my blacklist  
You shoulda thought twice  
Cause you're playin' with your life  
You must have some sort of deathwish  
I haven't any doubt  
That your time's running out  
Cause I've added your name  
To my blacklist

[1st Solo G. Holt]

[2nd Solo R. Hunolt]

For all the shit you talk  
You've never walked the walk  
All you do is run and hide  
Slander me, slag me

You better body bag me  
I'm not a man you should deride  
I've heard everything  
All your mudslinging  
You better run, as fast as you can  
Take you out, write you off, are you brave enough  
To stand up and fight like a man

[Repeat Chorus]
