

# Exodus [Thrash Metal], Altered boy

Unholy pedophile  
Praying on the innocent  
Protected by the papacy  
So-called men of enlightenment  
Children fingered by the hand of god  
Raped in the name of Christ  
They took a vow of chastity  
Yet have torn asunder so many a life  
Chickenhawks of the Catholic Church  
Out to save and destroy  
They have become the priest of burden  
And he's become an altered boy  
Men so benevolent  
In a position of trust  
Molesting children by the score  
Rendering young life straight into dust  
They're church is their Golgotha  
Their crucified by the priest  
Child becomes the victim  
Holy father becomes the beast  
Chickenhawks of the Catholic Church  
Out to save and destroy  
They have become the priest of burden  
And he's become an altered boy  
Multi-million dollar payouts  
Resitution for their crimes  
This vile sickness  
Cut to many down in their prime  
All the bishops and the cardinals  
Tried to hide it away  
In the parish and cathedrels  
The predators come to prey  
Chickenhawks of the Catholic Church  
Out to save and destroy  
They have become the priest of burden  
And he's become an altered boy
