

Experience Tnt, Under My Pillow

Hello, how are you? It's been so long
I'm sorry that I haven't tried to call
I often wondered where you are
and if it's far
very far

I know I promised we always be friends
I really wanted to achive one thing
I had a family that I truly loved
with all my heart
all my heart

under my pillow
a place I wish for you tonight
under my pillow
that all your dreams have comed to life
under my pillow

I always look for you on TV
I think I see you sometimes, maybe
I guess you've got a family of your own
a lovely home
love is home

under my pillow
a place I wish for you tonight
under my pillow
that all your dreams haved comed to life
under my pillow

here they come
and here they come

and all the years they drifted
they goin faster now
and all the time we wasted
its running faster now
faster now

its goes on and on
on and on
on and on
on and on
on and on

under my pillow
a place I wish for you to night
under my pillow
that all your dreams have comed to life
under my pillow

under my pillow
