

Exploited, Don't Pay The Poll Tax

It's coming through your letter box
A sheet for you to fill out
you know you have to do it
Cause you know you just can't win

Don't pay the poll tax
I won't pay the poll tax
Don't pay the poll tax
Stick it up her arse!

Maggie said community charge
You better watch out the government's at large
You don't fill it in \$50 fine
So you better send it back in time

Don't pay the poll tax
I won't pay the poll tax
Don't pay the poll tax
Stick it up her arse!

Fill in the sheet with all your fax
They'll screw you with their poll tax
Take from the poor give to the rich
Doesn't that just make you sick?!

Don't pay the poll tax
I won't pay the poll tax
Don't pay the poll tax
Stick it up her arse!

Politicians go here
Maggie Thatcher flying there
All the unemployment cuts
That's paying for all their fares

Don't pay the poll tax
I won't pay the poll tax
Don't pay the poll tax
Stick it up her arse!
