

Exploited, Law For The Rich

F**k with you f**k with me
They thing we fade away
Tory law nazi law its just the f**king same
Theres a law for the rich
A law for people like you and me
Theres a law for the rich
A law for people like you and me
F**k the criminal justice bill
Shove it up your ass
Crimes on the increase
They blame the working class
Theres a law for the rich
A law for people like you and me
Theres a law for the rich
A law for people like you and me
Corruption in the government
Corruption in the crown
No justice in a system
Thats there to put you down
