

Exploited, Never Sell Out

Been going on for f**king years now
And punks we're going to stay
What you see is how it is
We'll never sell out no way

[Chorus]
We'll never sell out
Is what I say
We'll never sell out no way

I don't give a f**k about you say
I do things my own way
Because that's the way i've always been
And the way it's gonna stay

[Chorus]
We'll never sell out
Is what I say
We'll never sell out no way

All those cunts that slagged us off
Are just a bunch of f**king twats
From Big John to Conflict too
Disappeared up their own arse

[Chorus]
We'll never sell out
Is what I say
We'll never sell out no way
