

Exploited, Police Shit

Police lie on oath
It happens all the time
15 years for the Guildford Four
Innocent people, send them off to jail
You could be next
Can't trust the police at all!

Police shit!

Walking down the High Street
With a friend of mine
Got stopped by the police
Asked us where we're from
I wouldn't tell him
Told him to go get stuffed
Radio'd for back up
Then they locked us up!
Can't trust the police at all!

Police shit!

They lie in court
It happens all the time
15 years for the Guilford Four
Innocent people, send them off to jail
Can't trust the police
Can't trust the police at all!

Police shit!
Lying bastards! Police Shit!
