

Exploited, Rival Leaders

The countdown has started to go
Computers are locked on their foes
The president is on his way
Down to live another day
10-9-8-7-6-5-4-3-2-1

Here we go
The fail safety mechanism is off
The baby lies sleeping in its cot
The mother reads her magazine
Her sons in the kitchen eating ice cream
10-9-8-7-6-5-4-3-2-1

Here we go
The 4 minutes warning starts to go
Soon youll be dead youll never know
Its started to lift off its pad
Its on its way isnt that sad
10-9-8-7-6-5-4-3-2-1

Here we go
The countdown has started to go
Computers are locked on their foes
Thatcher is on her way
Down to the bunker for another day
