

# Extol, 26 Miles From Marathon

[Music: O. Brrud/C. Espevoll/D. Husvik, Lyrics: J.R. Mjlland]

And so it's the end  
The hollow end  
So speed the process  
Again and again  
Move as fast as you can  
Like the wind  
On no end

Horizontal flickering  
Like flash before my eyes  
Recurring pictures  
The holocaust  
Over and over  
Burnt into my mind  
Like bright stars

I will deliver  
Your work shall be forever  
I will endure  
Keep my strength in you

Memories fade  
Cease to pause  
To measure time  
To treasure day  
But when I see it  
The way I see it

I swear the scissors have moved  
At a distance - in space  
The constellations have changed
