Extreme, Fair-Weather Faith

Prentending to act so serene On your so called submissive knees A shopping list of begging pleas Adds to your complacencies

As soon as the sun don't shine your way And you're saving it all up that rainy day It's a matter of time before you get down 'n' pray

Fair weather faith - protect me from the storm Fair weather faith - gonna right all my wrongs Fair weather faith - you know i'm doing alright Fair weather faith - out of mind, out of sight

Well I wonder if the man upstairs Will bother to lend an ear If you took the time to share Another one of your puppet prayers

I ain't talkin' 'bout the weather
