

Extreme, Play With Me

Do you want to play?

The number 666 is all around,
you better never blame the hounds
for all of this mass destruction going down
at the town that'll make you 4ever frown.

Do you wanna play

Subliminal messages, earthquakes, crop circles,
hurricanes, people dying all the time, space ships,
aliens, monsters, people worshipping the devil
"(Evil Evil Everywhere!)"

Do you wanna play with me?

Do you... (Do you...)
Wanna... (Wanna...)
Play?
Play wit me
"(Play with me)"

Do you... (Do you...)
Wanna... (Do you, do you wanna...)
Play?
Play wit me!
"(Play wit me!)"

Airplanes crashing, mushroom clouds,
atom bombing, tanks destroyed, en-my bases,
Y-2-K!
Do you wanna play?

Evil lowered, hell's fury,
rising over top, heaven's winning,

Pentagrams fading, evil power going away,
space time contium, fading of the HUMAN RACE!

look out now The Devil is coming!
