

Extreme, #Rebel

Rebel you rage
Without a cause
Fools on parade
Bearing your cross
Bury the truth
Repeat the lie
Mob is the rule
Fueling the fire

Hey, you got something to say
You talking to me as you're walking away
Hey, you got something to say
You talking to me as you're walking away

You say you want
Revolution
Talking the walk
Ready to run
Hashtag rebel
Barking your bytes
Signal virtue in bold
Kiss it goodbye

Hey, you got something to say
You talking to me as you're walking away
Hey, you got something to say
You talking to me as you're walking away
La la la la la la...

In-sti-ga-tor
Ag-i-ta-tor
Ra-bble rou-ser
Trou-ble ma-ker

You talking to me as you're walking away...

Hey, you got something to say
You talking to me as you're walking away
Hey, you got something to say
You talking to me as you're walking away
La la la la la la...

In-sti-ga-tor
Trou-ble ma-ker
Rebel!...
