Extreme, Rock A Bye Bye

If you could only hear the silent screams
When you wake them up from their dreams
Nothing is heard
Not even a, even a, even a word

Rock a bye baby
On the tree top "(on the tree top)"
When the bough breaks
The cradle will fall

Rock, rock, rock a bye baby
Rock, rock, rock bye bye

And if they had any choice at all
You still can't hear those voices that call
And when the bough breaks
The cradle will, cradle will, cradle will fall

Rock a bye baby, "(rock a bye baby)"
On the tree top "(on the tree top)"
When the bough breaks
The cradle will fall

Rock, rock, rock a bye baby
Rock, rock, rock bye bye
