

Extreme, Stop The World

All the world's a masquerade
Made up of fools and philosophers
Would it to rain on our charade
Washes away, except the true colors

If any people bother looking for truth, please
"(Stop the world from spinning 'round)"
Instead we chose to follow footsteps of fools, please
"(stop the world from spinning 'round)"

If nothing's new under the sun for me and you
Won't somebody please
Stop the world, stop the world, I wanna get off
Stop the world, stop the world, I wanna get off

If we forget yesterday
We're bound to repeat it tomorrow
It's not too late to start today
Better off safe than sorry

Do unto those as you would do to yourself, please
"(Stop the world from spinning 'round)"
We need more feet to walk in one another's shoes, please
"(Stop the world from spinning 'round)"

There's nothing new under the sun for me and you
Won't somebody please
Stop the world, stop the world, I wanna get off
Stop the world, stop the world, where there is love
"(Where there is love)"

Stop!

The world, stop the world, I wanna get off
Stop the world, "(stop, stop, yeah) stop the world, I wanna get off
"(You gotta stop it, you gotta stop it)"
Stop the world, "(stop the world)"
Stop the world, "(stop the world)" I wanna get off
Stop the world, stop the world, where there is love

Stop the world, stop the world
Ooh
All the world's a masquerade made up of fools
