

# Eye 90, Too Close For Comfort

Do you remember when we sat around complaining we were bored,  
There was nothing left to do,  
We might have missed the sign said you and I we just weren't meant to be.  
We might have missed one or two.  
Didn't you see him alone and waiting for you.  
He needed more than you had so its all on you. Way to go.  
Its too late and you're too slow. Way to go.  
It's too late and you'll never know I'm glad I didn't say everything that i wanted to say,  
Cause then I'd have to take it back. So whats up now bitch.  
I am over you and on to something new and i'm not looking back.  
Didn't you see him alone and waiting for you.  
He needed more than you had so its all on you. Way to go.  
Its too late and you're too slow. Way to go.  
It's too late and you'll never know It's too late and you'll never know.  
And I'm not ever going to look back.
