

# Eyedeas, Now

were here to  
bring the people and the music and the movement all together now  
we see through  
repetitive etiquette and the highly unoriginal  
were here to  
bring the people and the music and the movement all together now  
they will lose  
check it out now, check it out now  
this is a necessary change from the grim simple and plain  
gonna exercise that brain to break the chain pain is a part of gain  
no need to explain  
we innovate to generate an intricately interwoven tapestry  
of musical and ethical epiphanies  
the interest is minimal  
im on an awesome mission with an angel  
that can take it all the way to where the sun is  
just like a runner loving running  
tryna turn it into a simple symphony  
simple sentiment adrenaline is coming back  
im in the innercity, where i gotta be a superstar  
id rather be a galaxy  
but how you see is so dependent on the medicine the rhetoric  
and how at any second you think you could sit on the brink of this  
world is all asleep and i have no apologies  
i breathe  
keep my sight on what we ride on  
let bygones be bygones  
the migraines dont sidetrack  
my final destination nothing rivals predetermination  
to exterminate the germination  
of a nation that accepts anything thats thrown in its fat face  
cause when theres nothing left  
theres no more point to the rat race  
we dont waste a minute of the day  
dont be offended what im saying  
trying to send it all way to another stage  
a creative alternator rated and greater  
the crazy maniac melodies end up all up in your face wait  
success aint only based on self esteem  
it takes a sense to differentiate between  
whats yours and someone elses dreams  
i felt the screams climbing up my cold spine  
saying nows the time to put in all the energy  
to get rid of the enemy... i said it so..

were here to  
bring the people and the music and the movement all together now

we see through  
repetitive etiquette and the highly unoriginal

were here to  
bring the people and the music and the movement all together now

they will lose

sick of the same old thing

free us and touch what we cant see  
twist that knife and watch him bleed  
lost inside its way too deep  
someone choke me  
help me breathe

run from mistakes  
right in my face  
feels like im running in place
