

# EyeQ, You Still Hang On My Wall

There is a minute everyday  
I think of how it used to be  
Until I decided you weren't right for me  
But every second of that minute I ask myself  
If it ever will return to be  
Like the chemistry that was between you and me

I'm dreaming away  
I want you to know  
No matter how far we are  
I never let you go

You still hang on my wall  
I still get the chills when you call out for me  
Though I don't want it that way  
You still make me believe  
That you are the one thing I need  
I can say, though I don't want it that way  
You still hang on my wall

At home I sit alone at night  
Staring at the telephone  
Thinking of the days that I spent on my own (uh ooooh)  
And what a silly little girl I feel like now  
Nothings ever good enough for me  
But I'm still hanging on to this memory

I'm dreaming away  
I want you to know  
I kicked you out  
But boy I never let you go

You still hang on my wall  
I still get the chills when you call out for me  
Though I don't want it that way  
You still make me believe  
That you are the one thing I need  
I can say, though I don't want it that way  
You still hang on my wall

Hamma bee yeah yo bee yeah yo  
Hamma bee yeah yo bee yeah yo  
Hamma bee yeah yo bee yeah yo  
Hamma bee yeah yo bee yeah yo  
Hamma bee yeah yo bee yeah yo

I look into you eyes,  
Into your paper eyes,  
And picture paradise.

You still hang on my wall (I see your picture)  
I still get the chills when you call out for me  
Though I don't want it that way  
You still make me believe (I see your picture)  
That you are the one thing I need  
I can say, though I don't want it that way  
If you care at all  
You still hang on my wall  
You still hang on my wall
