

# Eyes Naked, Victims Of Fact

Victims of circumstance  
Caught in a trap  
It's real and Imagination  
It's fiction and fact

I'm not a superman  
No x-ray eyes  
I see but I'm not believing  
As hard as I try

We're not the hero's of Fiction  
We're Victims of Fact  
We're Victims of Fact

A product of our time  
All on your own  
As it was in the beginning  
No more do we know

I loved you long ago  
But I've been told  
We're all on our own, together  
All part of the show

We're not the hero's of Fiction  
We're Victims of Fact  
We're Victims of Fact

We're not the hero's of Fiction, we're victims  
We're not the hero's of Fiction, we're victims  
We're not the hero's of Fiction, we're victims of fact
