Eyes Set To Kill, Heights

Look through my eyes

I have arrived, and now I'm on the rise

Watch the tables, watch the tables as they turn

This is a lesson I know you'll never learn

I know you'll never learn...

There's something running through my blood, takes hold of me

It's taking me to heights you'll never see

Yeah I'm your wildest dream

There's something disturbing your sleep

Well now you'll see

Nothing's ever what it seems to be, now I'm all that you bleed

Make no mistake

Forget my name, you know you wish you could

I'm a nightmare, see me while you toss and turn

I am the lesson, I know you'll never learn

I know you'll never learn...

You better believe that you can see me now

I'm on the top of the highest building, and you're still on the ground

At any minute this could all collapse, and I could come back down

But I'm living in the moment... I'll savor it for now

These are the heights I know you'll never see

These are the heights
