

# EZ-Pop, Stage To The Floor (feat. Teejay & Ellington)

It's in your eyes  
You can't deny  
That I'm the one with who you wanna spend the night  
Well that's ok  
Boy don't hesitate  
We'll be dancing till the break of day  
Don't think about who, what, why, when  
You'll never get to line this moment again  
So get your drinks in head spin  
Feeling so high, tonight

Hey Ho, hey, ho,  
We gonna dance all night  
Hey Ho, hey, ho,  
Everybody's in the club like  
Hey Ho, hey, ho,  
We gonna drink all night  
Hey Ho, hey, ho,  
I'm gonna rock your body all right  
From the stage to the floor,  
I wanna see your body movin'  
From the bed to the floor  
I wanna feel your body rubbin'  
From the stage to the floor,  
I see your body movin'  
From the bed to the floor  
I wanna feel your body rubbin'
