F.R. David, I Need You

If you change change your mind if you think it's worth it

Just call me you'll find me - I need you. If you get mistreated if your heart is bleeding

I still want you so bad - I need you. I tell you words that no one will hear

Make a diamond out of tears believe me. Forget it all it will break your heart

Come to me and trust in me baby

You will never find a love like mine.

I need you I need you if you think it's worth it

Day and night I'll be there - I need you.

If you get mistreated if your heart is bleeding

You'll never find a love like mine. I need you I need you if you think it's worth it

. .. I need you I need you if you think it's worth it

If you get mistreated if your heart is bleeding
