## F.R. David, Words

Words dont come easy to me, How can I find a way to make you see I love you? Words dont come easy.

Words dont come easy to me, This is the only, way for me to say I love you, Words dont come easy.

Well, Im just a music man, Melodies are for my best friend, But my words are coming out wrong. Girl I reveal my heart to you, And hope that you believe its true cause.

Words dont come easy to me, How can I find a way to make you see I love you? Words dont come easy.

This is just a simple song. That Ive made for you on my own; Theres no hidden meaning you know when I, When I say I love you, honey! Please believe I really do cause.

It isnt easy, words dont come easy.

Words dont come easy to me, How can I find a way to make you see I love you? Words dont come easy.

Words dont come easy to me, This is the only, way for me to say I love you; Words dont come easy.
