

# F4, Perfect Moment

this is my moment  
this is my perfect moment with you  
this is what god meant  
this is my perfect moment with you

i wish i could freeze the space in time  
the way that i feel for you inside  
this is my moment  
this is my perfect moment with you

tell me you love when you leave  
you're more than a shadow that's what i believe  
you take me to places i never thought i'd see  
minute by minute you're the world to me

i wish i could frame the look in your eyes  
the way that i feel for you inside  
this is my moment  
this is my perfect moment with you

and if tomorrow bring the lonely day  
here and now i know i've haven't lived in vain  
i'll cry my tears in the rain and if love never come again  
i can always say i've been to paradise skies in your eyes...

so tell me you love the moment you leave  
you're more than a shadow i've got to believe

i wish i could keep you all of my life  
the way that i feel for you inside  
this is my moment  
this is my perfect moment with you  
this is my moment  
this is my perfect moment with you  
with you...
