yourself if you try to deny him

[Fabolous]

I'm nothin like them other brothers  
I got no choice but to slut her  
cuz im in a 10-6 with the vase up that look somethin like a nutta butta dutta dutta  
mami you'll be in saint tropez  
ridin jet skis and mopeds  
powderin like dope heads  
paparazzi snappin pictures they must think you J.Lopez (BIATCH!!!)  
(ha-ha) lets roast some spinach  
find a club and just post up in it  
what you mean are we there yet,I got lear jets that get to the westcoast in minutes  
(ha-ha) I'm smoother than white vanilla fudge  
with white vanilla studs  
cuz if they witnessed how im killin em out here these girls just might go tell the judge (i rest my case)  
[chorus repeat]

[Fabolous]

you could be prancin thru ghettos  
in a pair of fendi's or pants and stilletos  
all you gotta do is swallow some kids like that witch did in Hansel and Gretel  
whos as handsome as ghetto  
this mans earrings look transparent  
and my Mitchell and Ness throwbacks be so old they could be somebodys grandparents  
I want the kind of money athletes consume  
I have to assume  
I'm no fool,but im so cool,when i walk in feels like theres a draft in the room  
(oooh) I'm so sick i drive in reverse fast  
call me a nurse fast  
shorty just lay back in the Maybach it'll make you feel like you sittin in first class  
(Relax)  
[chorus repeat]

[Fabolous]

They ask for it  
so i put TV's in the headrest and the dashboard  
and you gotta catch it on tape cuz when the truck stops rims still look like they on fast forward  
i'm sippin liquor the color of smurf's skin  
as long as the earth spins  
and you'll get sea sick,cuz my waves be thick enough for them cali dudes to surf in  
(cowabunga) ya low ridin denims  
look like midgets is hidin in em  
they say I like it from the front they like it from the back but when the kid is slidin in em  
they be screamin'  
the biggest dikes be  
switchin for dudes with figures like me  
and um im not braggin, but imagine that you could even fuck with a nigga like me  
(BIATCH!!!)

[chorus repeat]
