when they ask I aint gotta say whom in them interviews  
my sweetthing never believe them rumors that been the truth  
like I had numerous friends its true  
but you was wifey can chase me to a room in a minute boo  
maybe, my sense of humer gets into you  
but girl they can make a perfume from the scent of you  
I wanna take you away for like june and december to  
so what you think about cancun till the winter through  
I dont know what the other consumers you been with do  
I put a days decide to go to blooms and just spend with you  
like any other man I would of zoomed to the clinic to  
now I wanna see if me and my juniors identical  
a dude put a wound on the skin of you  
I swear that everything, that same afternoon he'll be in the news  
feel me?

(Chorus - Jagged Edge)  
Girl I'd trade it all, money, cars and everything  
All, even give up my street dream  
All, anything to have you on my team  
All, baby girl I'd trade it all  
Even give up my good green  
All, and I'd give the watch and pinky ring  
All, anything to have you on my team  
All, baby girl I'd trade it all

I aint going buying white yellow and cucumber stones  
that same shit the sewer woman bones  
but life gets gruesome alone  
even though I got that kinda bread that wont matter if a few crumbs are blown  
lights out I flew some alone  
now I wanna wake up everyday with you in a new number zone  
mamamia, its you ima phone  
just to erase, all the negative views from your dome  
and I promise this fellas G  
and so can stay in the calm over jealous and drama you telling me  
so mama come yell at me  
so i can put the top down and we can cruise like tom and Penelope  
my charm is a felony

(Chorus)
