

Face Of Reality, God Fearing

you were punished for the nasty thoughts
for desires that all are forbidden
constantly terrorized with someone's judgement,
whose existence has never been proven

so prove it to me! Right here, right now!

Being deceived, that when the day of his judgement comes,
heaven will be opened, the sea wil break its banks

eyes wide open
help to discern the truth

...When they are not blinded by religious myths...

GOD FEARING! GOD FEARING! GOD FEARING!
