

# Face To Face, I Won't Lie Down

Does anybody see him?  
another set up for the fall  
does anybody hear him?  
he's screaming at the same blank wall  
everyone can't be right  
but everyone will decide  
I'm not afraid of the price I pay  
I won't lie down as you walk away  
I'm sure you must have seen him  
I know you must have heard it all  
I know you used to be him  
did anybody care at all?
