

Face To Face, It's Not Over

You think you're over with it
Don't want to talk about it
I'll tell you something
You don't want to know
So what's the problem with my life?
Don't over complicate it
Let's stop with all this wasting time
I feel you all around
There's nothing else that I can see
Anything is better than nothing
I'll try and try
I won't be denied
I want my chance
I want what's mine
