

Face To Face, Ordinary

now you've made it up it's all inside your mind
now you've given up you don't know what's there if you don't try
so you've given in along with all of your friends
and you're still alone
the means doesn't always justify the end
ordinary, ordinary
a look in the mirror is not enough
what makes you think that you're not one of us?
if you make it up and start to use your mind
it isn't difficult you don't know what's there if you don't try
ordinary, ordinary
a look in the mirror is not enough
what makes you think that you're not one of us?
a look in the mirror is not enough
what makes you think that you're not one of us?
a look in the mirror is not enough
what makes you think that you're not one of us?
a look in the mirror is not enough
what makes you think that you're not one of us?
