

# Face To Face, Pathetic

It feels like there's nothing I can do  
It feels like there's nothing left to do  
Always feels like I must

Wait

Just a while

Because &quot;anything worth having is worth the wait&quot;

So it seems

That this waiting's left us somewhere in-between

It feels like there's nothing I can do  
It feels like there's nothing left to do

Blind ambition is overrated  
Apathetic bored and jaded now

You forget something  
I wanted to be left alone
