

Face To Face, Velocity

Tell me something
That I don't already know
Tell me how you plan to change the world
I'm tired of people trying
To tell me what is right
I'm tired of people trying to pull me down
I know that you might never understand
The way I feel
I made a promise to myself
That I would never let it show
Never look down
Never look down
Just keep my focus straight ahead
And try to walk this line
Never look down
Never look down
Just keep my focus straight ahead
And try to walk this line
Tell me all about your favorite human being
Tell me everything about yourself
God, the story is so terribly interesting
I wonder what's so good about myself
I know that you might never understand
The way I feel
I made a promise to myself
That I would never let it show
Never look down
Never look down
Just keep my focus straight ahead
And try to walk this line
Never look down
Never look down
Just keep my focus straight ahead
And try to walk this line
So let me take a good look at your perfect life
So I know exactly how I don't want mine
Yeeeeeeee-ah
Everyday I see these
Same four walls that keep me here
And I want to change the things that hurt
I want to end this constant fear
So i say [yee-aaah]
Never look down
Never look down
Never look down
Never look down
Never look down
Never look down
[till end]
