

# Face Tomorrow, Back To The Starting Line

What's wrong  
What is going on in my head?  
I don't know what happened to  
all the confidence I had in people.  
I lost all the things I knew

Make believe that I can trust again.  
Pull me up cause I'm sinking in.

I know what is wrong and not at all fair,  
I am comparing you with her.  
I wish I'd trip and fall down on my head  
So I can forget the things I fear

Make believe that I can trust again.  
Pull me up cause I'm sinking in.

I'm waiting for you to take me back to the starting line.  
I can't wait much longer for me to learn and trust again.

Can't say what is gonna happen to us,  
I hope that it will make a turn.  
Try to make it work if not then I will  
tell you when the fire starts to burn.

Make believe that I can trust again.  
Pull me up cause I'm sinking in.

Try to make this work.  
If not, then I will tell you when to stop.
