

# Faces, I'd Rather Go Blind

(Foster, Jordan)

something told me it was over  
when I saw you and him talking  
something deep down in my soul said, cry boy  
when I saw you and him out walking  
I would rather, I would rather go blind girl  
than to see you walk away from me child  
so you see I love you so much  
I don't want to see you leave me baby  
most of all I just don't, I just don't want to be free  
I was just, I was just sitting here thinking  
of your kiss and your warm embrace child  
when the reflection in the glass  
that I been held to my lips now baby  
revealed the tears I had on my face  
I would rather, I would rather be blind child  
than to see you walk away from me  
baby, baby, baby I would rather go blind  
than to see you walk away from me
