

Fad Gadget, Back To Nature

Back to nature - caravan on camping sand
Back to nature - glucose filled, and programmed to respond

It's gonna rain all night
But we'll be alright
Under the geodesic dome
Infrared heater, just like home
Sitting in the shade of a rubber tree
I'll kiss you and you'll kiss me

Back to nature - burning bodies in the sun
Back to nature - just like lemmings, every one
Back to nature - capitalist aircraft fill the air
Back to nature - aerosol sun breaks on air

It's gonna rain all night
But we'll be alright
Under the geodesic dome
Infrared heater, just like home
Sitting in the shade of a rubber tree
I'll kiss you and you'll kiss me
Kiss me, kiss me, kiss me
