

Faderhead, TZDV

This is a song about the German clubs
This is a song about the dark
This is a song for everyone who stomps
The bass is pounding deep and hard
This is a song for all my dirtygrrrls
This is a song for all the freaks
This is a song about the underground
This is the time to be extreme
and I say:

Tanz, Zwo, Drei, Vier
This is a song for all the rivetheads
This is a song to make your move
This is a song about distorted beats
This song's officially approved
This is a song for all my dirtybois
This is a song for all the freaks
This is a song about the prime time floors
This is the time to be extreme
