Fady Maalouf, I Would Die For You

I never knew
That I could feel like this
I can not wait
For your sweet and loving kiss

I can't find
The right words to say
What I feel for you
For you everyday

I would die for you
I would lie for you
If you really want me to
Ill give the world to you
I would die for you
I know the reason and its true
If love can kill Ill die for you

Make me fly
And I could touch the sky
Stand by me
This is what I want to be
Can you feel it
I will always love you so
I would die for you Baby
Never let you go

I would die for you
I would lie for you
If you really want me to
Ill give the world to you
I would die for you
I know the reason and its true
If love can kill Ill die for you

I never felt like this
Felt like this before
I dont wanna be
Lonely anymore
Lonely anymore
I would die for you
I would lie for you
If you really want me to
Ill give the world to you
I would die for you
I know the reason and its true
If love can kill Ill die
If love can kill Ill die for you
