

Faf Larage, Fantasy Girl

oh oh oooooo oh oh oooooo

u are the one i have dreamed about
u are the dream i dream aboouhaout
u are always with me when im down
and ur always the one who lifts ma head off the ground

(chorus)

GGEENNAA i said GGEENNAA
did u hear me heaven i said...
GGEENNAAAAAAAAA
u are ma love
u are ma hunny bunny
without you ma world would collide
just the a spaceship and the moooooon

that night after dinner at the elegant place
i saw ur face with another mate
i dont even remember what the place was called
cause i was too busy givin u the look

chorus

i said GENA...GENA...G-G-G ena
i luv you u baby and u will always be in ma heart
i dream about u everynight
and it hurts me so bad when i see us apart

i love u Gena from the bottem of ma beaten heart.
