

# Fahrenheit, Hot Leather

Sick of polo shirts and dockers  
sick of fancy mamma's sons  
hey guys  
let's do something about it  
let's rock and kick some ass  
if you want some action  
boy you'd better wear

Hot leather  
it's all that you need  
Hot leather  
you'll get what you please  
Hot leather  
chicks will fall at your feet  
money, babes, cars, guns,  
you can have it all  
you can own the world  
only if you wear

I got you in my target, baby  
Mm I like the chicks  
that wanna rock  
To all you girls  
that wanna party  
Be a rock bitch not a nun!  
if you want some action  
boy you'd better wear.....
