

Fair, Get You Out Alive

Love lost in large amounts
Not very far from where you are
Past all the streets and shady trees
The biggest house in town

<i>No matter where you go
I'll get you out alive
Before it's far to late
To stand softly by</i>

Love drawn fomr bank accounts
Runs out of funds before to long
Can't place a price on tagalongs
Or quiet strolls

It's all the way it situates
I can't believe and can't be for this
I'm finding out it's all about
Seeking out what came before this
