

Fair Weather Friends, Love Won't Make It Easier

Love Won't Make It Easier
Love Won't Make It Easier
Love Won't Make It Easier

I train my body and my soul
Is there a limit to this joy?
There's no reason to push the ...
This ride has no another take

I will grab your hand and hit the road
And it's as true as possible
If only we could stay the same
Coz the atomic physic will drive us up

I see my heart goes silly
I've got that insane feeling
That Love Won't Make It Easier

There's no atomic physic drives us up
I wanna grab your hand and hit the road
Nice to survive
