

# Fair Weather Friends, Love Won't Make It Easier

Love Won't Make It Easier  
Love Won't Make It Easier  
Love Won't Make It Easier

I train my body and my soul  
Is there a limit to this joy?  
There's no reason to push the ...  
This ride has no another take

I will grab your hand and hit the road  
And it's as true as possible  
If only we could stay the same  
Coz the atomic physic will drive us up

I see my heart goes silly  
I've got that insane feeling  
That Love Won't Make It Easier

I'm enjoying events as they come  
I've got a landscape at my door  
Sometime it is... little bits anti...

...  
There's no atomic physic drives us up  
I wanna grab your hand and hit the road  
Nice to survive
