## Fair Weather Friends, Love Won't Make It Easier

Love Won't Make It Easier Love Won't Make It Easier Love Won't Make It Easier

I train my body and my soul Is there a limit to this joy? There's no reason to push the ... This ride has no another take

I will grab your hand and hit the road And it's as true as possible If only we could stay the same Coz the atomic physic will drive us up

I see my heart goes silly I've got that insane feeling That Love Won't Make It Easier

I'm enjoying events as they come I've got a landscape at my door Sometime it is... little bits anti...
