

# Fairlight Children, Before You Came Along

Before you came along  
And said the words I hadn't heard in a long time  
I thought I was wrong  
I never expected this to happen to me

Before you came along  
And said the words I hadn't heard in a long time  
I thought I was wrong  
I never expected this to happen to me

Never expected this to happen to me  
Never expected this to happen to me  
Before you came along  
Never expected this to happen to me  
I thought I was wrong  
Never expected this to happen to me

Before you came along  
And said the words I hadn't heard in a long time  
I thought I was wrong  
I never expected this to happen to me

Before you came along  
I thought I was wrong
