

# Fairlight Children, Falling Out

I'm falling out (repeat)

I don't care if I'm the only one  
To ever hear this song  
I'm falling out

But I meant it, I'm trying my best  
To get things off my chest  
I'm falling out

I'm falling out (repeat)

I don't care if I'm the only one  
To ever hear this song  
I'm falling out

But I meant it, I'm trying my best  
To get things off my chest  
I'm falling out

I'm falling out (repeat)
