

# Fairport Convention, Big William

He never put a foot wrong  
Until the day Joe met Big William  
He made him an offer but he often was wrong  
"I'll tell you where to stick it," said Big William to Joe  
"You can put it where the monkey sticks his nuts"  
"I wouldn't give you fourpence for your lousy rotten dough  
And, anyway, you haven't got that much"  
"Hey Joe, hear what I say  
You want my time, I ain't giving away  
Go make the money you want some other way"  
"I don't want to go to Peru  
Don't leave ?Delhi, you're any guru?  
I don't like work and I don't like you"  
"I'll tell you where to stick it," said Big William to Joe  
"You can put it where the monkey sticks his nuts"  
"I wouldn't give you fourpence for your lousy rotten dough  
And, anyway, you haven't got that much"
