

Faith Evans, Kissing You

And I can't believe it's real
I can't believe it's you
I can't believe it's happening
I can't believe it's true
And I can't believe that you are here with me
And I am here with you (kissing you)
Softly kissing you (kissing you)
Forever kissing you (kissing you)
Kissing you
Can't believe my eyes
I don't know what to do
I can't believe that you are mine
Now that I'm lying here with you
And I believe you're making love with me
And I'm making it with you
(kissing you)
Softly kissing you (kissing you)
Forever kissing you (kissing you)
Kissing you
Through the night I feel your fire
And there's nothing but you on mind
As you quench me of all my desires
And I'm filled with extacy
I can't believe it's real
I can't believe it's true
I can't believe that you chose me
When I was choosing you
And I can't believe that you are here with me
And I am here with you (kissing you)
Softly kissing you (kissing you)
Forever kissing you (kissing you)
Kissing you
