

# Faith Evans, Why Can't We Make It Through

Why can't we make it through after all these years with no more problems no  
More problems I used to love ya before ya started cheatin on cheatin me so then  
I asked my self why can't we make it through after all these years with no more  
Problems no more problems and then I asked ya why did ya call beth u said u ate

Her out and then she gave you aids and then u humped me and then I asked ya why  
Did ya mess wit mary j. blige u said why can't me make it through after all  
These years with no more problems no more problems repeat chorus out
