

# Faith Hill, Faith Hill - I Can Feel The Magic

I can feel the magic floating in the air  
Being with you gets me that way  
I watch the sunlight dance across your face  
And i've never been this swept away  
All my thoughts just seem to settle on the breeze  
When i'm lying wrapped up in your arms  
The whole world just fades away  
The only thing I hear  
Is the beating of your heart

Cause I can feel you breathe  
It's washing over me  
And suddenly i'm melting into you  
There's nothing left to prove  
Baby, all we need is just to be  
Caught up in the touch  
Slow and steady rush  
Baby, isn't that the way that love's suppose to be  
I can feel you breathe

In a way I know my heart is waking up  
As all the walls come tumbling down  
Closer than i've ever felt before  
And I know, and you know  
There's no need for words right now

Cause I can feel you breathe  
It's washing over me  
And suddenly i'm melting into you  
There's nothing left to prove  
Baby, all we need is just to be  
Caught up in the touch  
Slow and steady rush  
Baby, isn't that the way that love's suppose to be  
I can feel you breathe

I can feel the magic floating in the air  
Being with you gets me that way...
